

Name : _____

Spring Nature Hunt List

Here is a list of things you can look for. You don't need to collect them (but what young child can resist). Simply find the items and tick them off. Do it as a family or give each child his or her own individual list to tick off.

- An ant (How many different varieties can you find? ____)
- A pink flower
- A dead leaf
- A bird
- A nest in a tree
- A pebble
- Tree bark
- A feather
- A nut or seed
- A flower bud
- Grass
- A snail
- A twig
- A butterfly
- A yellow flower
- Pine needles
- An insect
- A bee
- _____ (add your own things to find)
- _____
- _____
